

A male and female ballet dancer are captured in a dynamic, sculptural pose against a warm, monochromatic orange background. The male dancer, in the foreground, is wearing a dark, form-fitting leotard and has his right arm raised, supporting the female dancer. The female dancer, positioned behind him, is also in a dark leotard and has her left leg extended horizontally, resting on his right arm. Her right arm is raised, and her head is turned to the left. The lighting is dramatic, highlighting the musculature and grace of the dancers.
